

2014 SEDC ADMINISTRATORS CONFERENCE

ENGAGING STUDENTS THROUGH THE INTEGRATION OF
CHROMEBOOKS AND OTHER DEVICES IN THE CLASSROOM

Wednesday, June 4 2014 at the Emma Eccles Jones Education Building, Southern Utah University

Keynote Speaker Jared Covili

Jared Covili has been a technology integration specialist with the Utah Education Network (UEN) for the past ten years. He specializes in teaching strategies for classroom integration of technology such as Google Tools, geospatial learning, web page design, and digital devices. Jared's background is in secondary education where he was a Language Arts teacher at the secondary level. Jared received his Bachelors degree in English and his Masters degree in Instructional Design and Educational Technology from the University of Utah.

Besides his work at UEN, Jared is also an adjunct faculty member of the College of Education at the University of Utah, where he teaches technology integration classes to undergraduate students. Jared served as the president of Utah Coalition for Educational Technology for 2011-2012 and currently serves on the UCET board. In 2012, Corwin Press published Jared's first book, *Going Google: Powerful Tools for 21st Century Learning*. His second book, *Classroom in the Cloud*, is set for release in early 2015.
